

# M Series Stack Frame

For 3/8", 1/2", 3/4" and 1" Hose I.D.

**M Series Stack Frame** is a stackable manual driven hose reels for where long lengths of hose are required, as in Agriculture, Power Wash, Pest Control and Construction trades. Stackable frame makes it possible to store multiple unit into the tight space. Hose can be dispensed and retracted with greater ease and expedience than coiling by hand.
